Ref. No. 98/51-52. Date 21st. June, 1951

To
The Secretary to the Govtenment,
P.W.D. Secretariate, Bombay.

Thro' The Electrical Engineer to the Govt., P.W.D., Bombay,

Sir,

Sub:- Appointment of a Rating Committee under Electricity (Supply) Act of 1948.

With due respect to the Press Note issued by the Government on the 10th December, 1949 we have been charging rates prevaling on the 30th Sep. 1949 plus 15% surcharge which was sanctioned by Government for our undertaking under the Bombay Electricity (Surcharge) Act 1946. We however find that due to the rapid upward tendency in the rise of fuel, oil, etc. cost-and-cost-of other raw materials and establishment charges, the cost of Generation as well as Distribution has increased to such an extent that it is well neigh impossible for our Undertaking to pull on economically and we find compelled to have our rates raised and revised in order to make our concern financia lly sustainable.

2 We therefore hereby apply to Government to appoint a Rating Committee under Sec. 57 of the Electricity (Supply) Act, 1948 for our undertaking to revise rates of supply as would give us the necessary financial relief.

3 We would suggest the name of Shri M.N. Math, our legal adviser as a member on the Rating Committee on behalf of our Undertaking.

4 The necessary statements etc. showing the financial Data as would be required by the Rating committee will be furnished when required.

5 As it is expedient that the rates be revised without any undue delay it is requested that the appointment of the Rating Committee be notified at a very early date.

Thanking you,

Yours Faithfully,

For Shri Venkatesh Power Works,

Manager. 21/6
